It brings out the project’s unique attribute – an exceptional sea view. The Chinese name of the project is ‘曦臺’, with ‘曦’ meaning the first morning light evoking hope, and filling a home with warmth, and ‘臺’ is a project overlook of flat and expansive space with a vista extending to the horizon, it also inspired by the shopping mall and carparking podium, which is scarce in the market. ‘曦臺’ thus stands for fullness of hope and light, just like the rising sun. It invites infinite possibilities for its residents in the future.

The project comprises two residential towers on a podium with a shopping arcade. It offers a total of 326 units of different layout designs, with standard two- to three-bedroom units and special units.
